Presentation

Creiscendo

Creiscendo is a group of European manufacturers and specialists in industrial and mechanical equipment in connection with the fields of Electricity • Fluids • Machinery, supported by a network of technical and commercial export agents.

We bring together tools, knowledge and technical and commercial skills that allow us to effectively support our partners and develop around 2 fields of technical activity:

- Service Export
- Engineering
-

Creiscendo Occaz

Created in 2020, Creiscendo through its branch Creiscendo Occaz offers **second-hand machines** and trucks available in Europe, Australia, Brazil and USA/Canada.

We carry out **tailor-made research** according to your needs (models, brands, budget, year, hours, tools, options ...)

Inspection documents, photos, description, videos and additional information on request.
